

## Entry requirements for study at Post 16 Groby

For acceptance onto Post 16 courses you should have at least 8 GCSE's (or equivalent), 5 of which must be at grade A\*-C in 5 different subjects. Some courses require grade B or better in particular subjects (Please refer to the options booklet for individual course requirements). Any students who have not achieved a grade A\*-C in Maths and English will need to re-sit these subjects as part of their KS5 Program. Most students are expected to study 4 subjects in year 12.

For any students who do not quite make the entry requirements we will look at your needs individually and may accept you if we believe we have the correct program of study for you.

In the event of a course being oversubscribed, preference will be given to students with the higher grade.

All Students are expected to take part in at least one enrichment activity. These will be advertised in one of the welcome assemblies at the beginning of the new term.

Department	Subjects
<b>ADT</b>	Art (Fine)
	Design (3D)
	Graphic Design
	Photography
	Textiles
