Dear Parent/Carer

We would like to invite you to a Higher Education information session on Tuesday 3rd June 2014. This event is aimed at parents and carers. The students will be getting a similar presentation on the H E Day on 12th June 2014. All Year 12 students will be expected to attend the HE day. The session is being led by De Montfort University staff but the presentation is of relevance to any university application.

The talk will be structured into three sections:

- An explanation of the UCAS process from the initial stage of application through to the post results procedure.
- An explanation of the student loan system and the role that parents/carers play in this.
- A guide to student budgeting at University.

It is envisaged that the presentation will last about 45 minutes. A question and answer session will then follow.

If you would like to attend please return the reply slip below by Friday 23rd May 2014.

Yours sincerely

Michelle Wood
