### Analysis and areas for development:

- We are pleased with the majority of these results and we will be working hard to improve on any areas that require focus.
- All parents/carers who responded with a disagree/strongly disagree will be contacted by the Senior Leadership Team and where possible the issue will be addressed.
- Where there has been a response that shows the student is not happy at the college reasons are always investigated carefully and relate to specific issues with key actions put in place.

**Please note that our own 'Parent View' will be updated after each parent evening and the feedback will be communicated to staff and parents / carers via the newsletter.**
