

# Revision strategies/ techniques

# Scenario 1:

I am struggling to remember scientific and mathematical formula and how to solve equations. How can I revise this?

## Scenario 2:

How best can I remember the Christian and Muslim view towards homosexuality?

## Scenario 3:

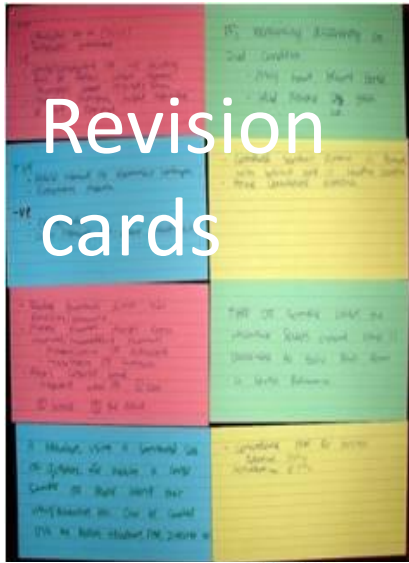

I am finding answering exam questions difficult,  
how can I improve my technique?

# What works for you?

Identify your top 3 ways of revising.

Do you have different ways of revising for different subjects? What are these? Why are they different?

# Evaluate which of these are most/least useful for you, why?

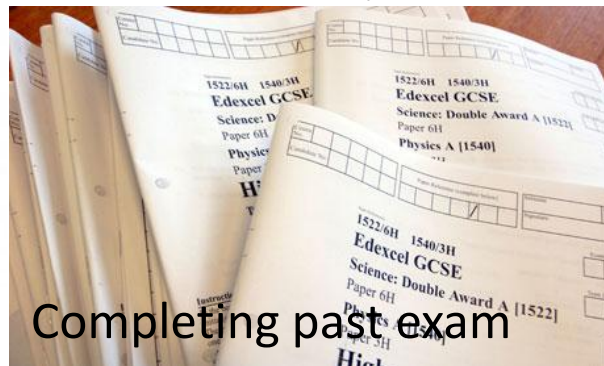

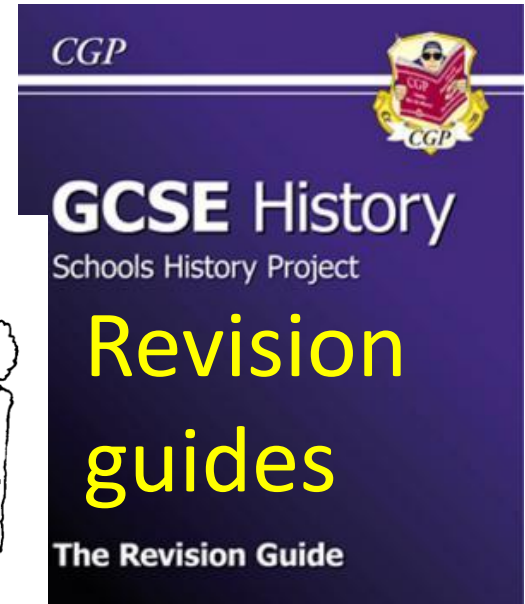

Revision cards

Dictaphone

Revision sessions

Completing past exam papers

Study with friends

# Try one out

Try one of these out at home over the weekend whilst doing some revision.
