Dear Parent(s)/Carer(s)

National Space Centre – Thursday 18th June 2015

The Science department have organised a Trip to the National Space Centre for Year 10 Higher Ability students.

As part of their curriculum, students study Space, and this will be an excellent opportunity to deepen their understanding and enable them to broaden their knowledge, bringing to life many of the elements we have been learning about.

Your son/daughter has expressed an interest in taking part in this trip. Transport by coach will leave Groby Community College at 09.15, and we would expect to return by 15.00. Lunch is not provided; therefore students should either bring a packed lunch or money to buy something in the cafeteria. The cost of this trip is £13.50.

Payment can be made via ParentPay. You may request your login and password by calling Mrs Boddy 0116 2817029 or by email to jboddy@grobycoll.com The reply slip below is for payments by cheque or correct cash, as the ParentPay system asks for all the information we need online.

Yours faithfully

Sarah Gibson

Sarah Gibson
Teacher of Science

Reply Slip _____

REPLY SLIP if paying the correct cash or cheque: FAO Mrs Boddy in reception **National Space Centre – 18th June 2015**

Student's name: _____ Tutor Group: _____
