Dear Parents/Carers,

Re: Opportunity to improve literacy and cultural understanding in MFL – Yr 10/11

In the new term we are pleased to be able to offer all students of French, German and Spanish the chance to improve their reading skills in their chosen language and improve their knowledge of the world around them by purchasing a subscription to the nationally acclaimed Mary Glasgow magazines.

These magazines are designed to aid students with their GSCE learning and cover topics which will help them with their exams later on. They are student centred with up to date linguistic usage, as well as all the latest from the world of music, art, literature and world events. The material is very accessible for students and presented in a bright and engaging way. As a college we are working hard to improve literacy in all aspects and reading in any language will have a positive impact on this.

Grobby Community College is able to purchase copies of the Mary Glasgow publications in all three languages at a **reduced price**. The subscription is for one year and includes 5 magazines. Students will also have access to online material which links closely with the magazine, including listening activities and videos. **The full cost of the subscription is £9** (for the whole year's subscription!). They will be distributed during lessons.

If you are interested in this special offer payments should be made online, using a debit or credit card, by logging on to www.parentpay.com (Logins and passwords for new Yr10 students will be generated at the beginning of term) when logging into Parentpay please ensure you choose the correct language being studied by your child. In exceptions, we can accept the correct cash or a cheque payable to Grobby Community College in an envelope.
